

MONTHLY HOROSCOPE

Taurus

We are together in new waters. And what better to follow a period of cataclysmic changes than a moment of Taurean earthly stability? Find those who bring you comfort and good humour. Sail steadfastly with them. From such collaboration you will summon the power to make long-held creative dreams come true.

Your lucky tunes:

You Always Hurt The One You Love, Des O'Connor.

Success of the month:

Reconnecting with elderly relatives or friends.

Potential downfall:

Missing an opportunity to change your mind about something important.
