

MONTHLY HOROSCOPE

Aquarius @thestate51conspiracy

Aquarius

Through dreams, revelations, or visions, insights into advancing within yourself might manifest themselves this month so don't hesitate to put them into action. Many an invention or idea began life on the outskirts of conscious thought, don't miss the chance for greatness!

Your lucky tunes:

The adagio from Kurt Atterberg's 6th Symphony.

Success of the month:

Seeing 2019.

Potential downfall:

Worrying about whether it's cold enough for winter.
