

MONTHLY HOROSCOPE

Gemini

Your focus on the intellectual world will bring fruition in the upcoming months. Let the space created by fire guide your intuition. Remember, some things have to fall apart, only to be replaced by something better. The end of the month will bring religious bliss and a reabsorption of energy.

Your lucky tunes:

'The Poet Acts' from Philip Glass: The Hours.

Success of the month:

Media spotlight.

Potential downfall:

Your ego.
