

MONTHLY HOROSCOPE

Leo

You are Mufasa on pride rock, surveying all you own. Be more proud of it, it suits you Leo! Not that we need to tell you, you're the ruler of the zodiac for a reason.

This month, you do you 24/7, nothing competes with that. You're a star!

Now get in the sun and stock up on that vitamin D.

Your lucky tunes:

'O Fortuna', Carmina Burana.

Success of the month:

Being born a Leo.

Potential downfall:

Fraternising with lesser zodiacs.
